NEWSLETTER MAY 11, 2020

Hello Willow Family, We want to give you an idea of how we will be running services for the near future. **Willow is planning on doing one service each Sunday, starting this coming Sunday, May 10th, at 10 am.** When you first get here, we will have one of our lovely volunteers checking temperatures, serving you your coffee and seating you in the sanctuary. Unfortunately, we will not be able to have childcare or Bible classes at church just yet. Willow is going to be using the guidelines from Governor Abbott and practicing social distancing; we will have sanitation stations in the lobby. **The offering plate will not be passed around, but the information box on the back wall will be designated as our temporary offering plate.** The staff is also meeting with many of the church leaders in the area to determine how to move forward in the future. Willow will continue to stream our full services online, so if you feel uncomfortable in any way, please join us there! www.YouTube.com/WillowChurch **We can't wait to see you!**

We are pleased to tell you that the funding for the Payroll Protection Program came through and we have received \$71,900 for us to continue paying our staff, as well as apply it to utilities and loan interest. This takes a great deal of pressure off of our operating costs for May and June.

Thank you all for your faithful tithes and offerings; we appreciate every penny and can't thank you enough for your support during this time as we still have the monthly bills to pay. You can give through our website via PayPal, PushPay or Realm, or text the message "wdbc" to the number "77977".

It was great to see those who came on Sunday for our first in-person service for quite some time. We are so grateful and thankful that it went well and everyone was able to worship together here at Willow.

We know there seemed a lot of rules and regulations in place, but these are in place for a reason....and that is to keep **every-one** safe. Bear in mind that it's not just **YOU** we are trying to protect, it's those around you as well. Remember, it is an act of love as well as a courtesy and kindness to protect others!

Remember, if you need anything, let me know...my cell number is: 713-825-6711, or call Dana at the office number: 979-297-4079....Dana is in the office from 8am to 4pm, and I know she would love to talk to you.

If you don't receive emails or texts from Willow, please email joyce@willowchurch.com and you will be added to the list.
